

# A35PM

## DRY PAPER SHEET

### ◆ USAGE AND APPLICATION ◆

Available for wood, metal surface and paint sanding.

Ideal for removing rust and dirt from metals and for polishing curved surfaces of furniture, etc.

Available with orbital sander.

### ◆ FEATURES ◆

Slightly soft and flexible base material is used.

For dry method only.

Aluminum oxide mineral is used.

Anti-clogging processing ensures long life.

### ◆ PRODUCT LIST ◆

※ Products are subject to change without notice.
