

A23 –Cloth sheet– Transparent Packaging

※ Please note that there is a slight difference in color between the photographic image and the product.

NEW

Realization of curl suppression by shrink-wrapping!!

※ W suppression by abrasive cloth sand surface matching.

• In addition to preventing sand fall, product can be stored in good condition.

◆ USAGE AND APPLICATION ◆

- For sanding work in all fields
- Cloth base makes it stronger and longer lasting than paper abrasive products.
- Easily ripped both vertically and horizontally (※ Not water-resistant)
